datacor®

Team is our (super)power

What we have achieved until now

22 years of activity

This year, we celebrate 22 years of Datacor, a time in which we've become one of the main providers of communications and security infrastructure solutions in the country.

140 employees

We continuously invest in human resource development and do our best to ensure that our team is one of well-trained professionals in this field.

17,5 million turnover

We continuously invest in the development of human resources, the digitalization of the company and in the automation of business processes.

5 offices

We have a presence throughout the country: Bistrita, where the administrative and logistical HQ is located, Bucharest, the secondary HQ and Cluj, as well as service centers in Iași and Timișoara.

GREEN ENERGY

Our solutions are specifically designed to improve the energy efficiency of buildings, thereby reducing their carbon footprint.
We installed more than 12MWp last year, for customers from differnt industries: retail, agriculture, manufacturing.

What we support

datacor® RUNNING TEAM

We have our own running team and we sponsor athletes, which have remarkable results in national and international races.

What we support

Via Transilvanica

We went all out! We sponsored and constructed 20 kilometers of epic trails, all part of the amazing Via Transilvanica project. Imagine a journey that traces Romania's spine from tip to toe, beginning at Putna and wrapping up at the Danube in Drobeta. Our trails were made for walking!
